WHAT WE BELIEVE

~ That Jesus is the Son of God who became a man to die for the sins of the whole world; He was raised from the dead and ascended back to heaven; He is coming again. (1 Cor 15: 1-8)
 ~ That the Bible is the inspired word of God and is the only authority for our faith (what we believe) and practice (how we are to live). (2 Tim 3:16) ~ That every person has worth as a creation of God, but that all have sinned and fallen short of the glory of God. (Rom 3:23) ~ That forgiveness of sins, the promise of eternal life and an abundant life are available to those who believe that Jesus Christ is Savior and Lord. (Jn 3:16) ~ That those accepting Christ shall repent of sin, confess faith, and be baptized into Him. (Rom 10:9; Acts 2:38) ~ That the Church exists to provide for the spiritual growth of the people and to see that the Gospel is preached to everyone. (Eph 4:1-16) ~ That Jesus Christ will one day return to earth and reign forever as King of kings and Lord of lords. (1 Thess. 4:13-18)

“FROM PULPIT & PAPER”

A New Year Church Resolution

I'm a fan of new year's resolutions, not because I always keep mine, but because I think making strides to improve are important. What are your resolutions for this year? One resolution I have for our church is to pray together more in 2022. There are many ways for a church to pray more together. I think a very important way is to have a prayer meeting.

Now you might think, “Well, gee, that sounds boring!” I can sympathize with that. While in Dallas, our church used to have weekly prayer meetings that were sometimes, well, boring. I didn't always enjoy going. However, those prayer meetings have radically impacted my life. What might have been boring in the moment has left a lasting impact on my life. I reflect fondly upon those prayer meetings now, even though in the moment I failed to appreciate them.

If you dread a prayer meeting because it's boring, don't worry. Still come. We will keep the prayer meetings under an hour. We will read Scripture together and lift the name of Christ up. God will work in you and through you, even if you're bored. Jesus himself will show up. He promises to dwell among us when we gather in His name to pray (Matt 18:20). Jesus is never boring. We have a prayer meeting tonight. Please join us.

- 8:30&11:00AM Trip Almon Preaching

● The War Out There: this talk is an attempt to motivate attendees to ensure they are aware of the battle going on in the unseen realm and to make sure they are prepared to survive and thrive when they leave their familiar Christian bubble (family, church, school) and step into the secular realm.

● Introduction to Worldview: in a culture that is full of ideas coming at us from every direction it can be difficult to know which way is up let alone make a stand for one's Christian convictions. This talk explores what a worldview is, the importance of having one that lines up with reality, and how to spot false ones. The audience will be encouraged to move forward in this seemingly daunting task by learning to look for patterns of ideas that will allow them to begin advancing the Christian worldview in their own lives as well as the culture around them. 1

● The Case for Life: communicating and defending the pro-life view persuasively and graciously.

● The Bankruptcy of Moral Relativism: learn how moral relativism has impacted cultural dialogue on moral issues, and how to respond with truth and grace.

● Tactics: how to discuss your Christian convictions with people who don't believe the way you do. We discuss the best approaches to having productive and grace-filled discussions about Christianity in any setting. This is modeled after the book Tactics: How to discuss your Christian Convictions by Greg Koukl.

Coming to CBC!

Friday January 21st & Saturday January 22nd

Summit Ministries helps young adults think critically about the Christian faith, so they can own what they believe, then live it with courage and conviction. Through Powered by Summit Ministries, we bring Christian apologetics and biblical worldview training directly to you. Let us help you equip your group to stand for truth.

Tripp Almon serves as the Director of Summit Semester for Summit Ministries. His passion for educating students in the areas of Christian theology, worldview, and apologetics grew in large part from growing up in a Christian home and then struggling profoundly with the tidal wave of cultural ideas that engulfed him as he entered a secular university. Thankfully, his experience taught him that Christianity not only stands in the marketplace of ideas — it soars. Topics include The War Out There, Introduction to Worldview, and Tactics.

Megan Almon has been a speaker and writer with the Life Training Institute since 2009. She travels around the nation case for the pro-life view and the Christian worldview, and how to defend their views winsomely in the marketplace of ideas. Topics include The Case for Life and The Bankruptcy of Moral Relativism
